## COYOTE CHRONICLES

June 2021

### STUDENT OF THE MONTH

Jada Ford

### Congratulations!

Jada is our June Student of the Month. She earned this recognition because she has worked so hard this year in school despite the challenges that she faced. This year was a struggle for everyone. Especially for students. They went from being online learners, to hybrid, and then in person. They had to transform their entire way of learning to meet the demands of our economy, and Jada did it with ease. Thank you to Jada for her hard work and dedication.
